ADVANCED SERVICES TO PREPARE FOR  
TOMORROW'S EMERGENCIES.

# UPSKILLING YOUR TEAMS TO THE HIGHEST STANDARDS —

Jaheziya is one of the region's leading training and service provider for emergency firefighting and rescue services. We help customers meet their emergency response needs, whether by helping them build reliable, effective in-house capabilities or providing those services ourselves.

From our state-of-the-art training centre in Abu Dhabi, we provide a large variety of International and National accredited training as well as custom-built, to meet the demands of 21st century in health and safety and emergency response.

Designed to enhance skills and build resilience, our nationally and internationally recognised courses, qualifications and consulting are implemented and facilitated by some of the most accomplished emergency management professionals in the region.

## WHY JAHEZIYA?

**SOLID TECHNICAL FOUNDATION IN FIRE AND RESCUE EMERGENCY MANAGEMENT**

**COMPLETE INTEGRATED TURNKEY SOLUTIONS FOR FIREFIGHTING OPERATIONS AND TRAINING IN HIGH-RISK SECTORS**

**CENTRE-OF-EXCELLENCE TRAINING FACILITY**

**SPECIFIC FIRE AND RESCUE EMERGENCY MANAGEMENT SOLUTIONS**

**EFFICIENT AND EFFECTIVE RISK-BASED RESPONSE STRATEGIES**

# TRAINING: BUILDING YOUR CAPABILITIES —

We are regional leaders in the provision of technical, professional training for interagency and multiagency operations. We build, sustain, and enhance capabilities to protect communities, assets, and infrastructure.

Our world-class facilities provide simulation of all types of potential threats and emergencies. Through scenario-based training of single and multiple events, professionals across agencies can cooperate, communicate, and interact with their counterparts.
