CARACAL

CAR 817 AR

VERSATILE COMBAT ASSAULT RIFLE

The CAR 817 AR is designed for tactical and combat excellence. Built on the AR platform, the firearm is chambered in 7.62x51mm NATO and available in barrel lengths ranging from 12.5" to 16", also featuring adaptable rails. Power driven by a short-stroke gas piston system and rotating bolt, the CAR 817 AR achieves exceptional efficiency.

With safe, semi-automatic, and automatic modes, and ambidextrous configuration, the rifle provides defence forces and law enforcement with versatile firepower and operational reliability across the most demanding scenarios, conditions and missions – including counterinsurgency and special operations.
