CSA 338

RUGGED SEMI-AUTOMATIC SNIPER RIFLE

The CSA 338 sniper rifle, chambered in .338 Lapua Magnum, delivers excellent accuracy over extensive distances. Meticulously engineered, it meets the exacting demands of Special Forces in even the most rugged terrains. The CSA 338 incorporates comprehensive ambidextrous controls, extended safety and bolt catch levers, a two-position push-through gas regulator, and a titanium firing pin bolstered with state-of-the-art safety enhancements.

With first-rate reliability and durability, this semi-automatic rifle delivers a tactical advantage when it matters most.
