

HORIZON

OUR SERVICES

BUILDING SKILLS FOR TOMORROW'S MISSIONS

HORIZON is the region's largest helicopter flight training academy. For over 15 years, we have been educating and up-skilling rotary-wing pilots locally and internationally. From our state-of-the-art facilities in Al Ain in the Emirate of Abu Dhabi, we offer industry standard and bespoke helicopter training to leading civilian, commercial and military operators from across the Middle East and North Africa. Our courses help students attain a wide range of nationally and internationally recognised qualifications.

AVIATION COURSES

Our aviation courses are designed to give students an in-depth understanding of the operational procedures in rotary-wing aviation. Delivering the theoretical and practical training to provide a fully rounded picture of the key areas, we offer programmes on subjects including flight and ground safety and accident investigation, equipping our customers with the resources they need for their operations. Courses offered include:

FLIGHT SAFETY

AVIATION GROUND SAFETY

AIRCRAFT ACCIDENT INVESTIGATION
AND MANAGEMENT

AVIATION MANAGEMENT

CREW RESOURCE MANAGEMENT

MANAGEMENT OF FLIGHT SAFETY
AND ACCIDENT INVESTIGATION

FLIGHT TRAINING

Our comprehensive selection of flight training courses is designed to cater to a range of students and skill levels – from novices to experienced military pilots. With a choice of three of the latest Bell single- or twin-engine helicopters, as well four different state-of-the-art simulators, today's students are coached under the expert guidance of specialist multi-lingual trainers with thousands of hours of flight experience between them.

PILOT TRAINING

SINGLE-ENGINE HELICOPTERS

Private Pilot Licence - Helicopter (PPL)

The PPL enables you to act as helicopter pilot -in- comand for personal flight.

Commercial Pilot Licence - Helicopter (CPL)

We train pilots to operate single-engine or multi-engine helicopters on a commercial basis. This entry level course takes students from zero flying hours all the way to the GCAA CPL (H) licence, with no previous flying experience required.

Flight Instructor - Helicopter (FI)

This advanced course provides trainers with the ability to instruct students to licence standard.

Qualified Military Pilot Bridge Course - Helicopter (QMP)

In this course, we train qualified military pilots to enable them to obtain the GCAA CPL (H) / CPLIR (H) licence.

Instrument Rating (IR)

This programme trains pilots in Instrument Rating standards, which is required for any pilot to fly under Instrument Flight Rules (IFR).

Type Rating (TR)

This conversion course is designed to familiarise the pilot with the aerodynamics, mechanics, technology, operation, performance and emergency procedures of a certain aircraft type.

Night Rating (NR)

Our Night Rating programme trains qualified and licensed pilots to safely operate a helicopter at night.

English Language Proficiency Training

The fully accredited HORIZON English Language Proficiency (ELP) test enables pilots to fulfil their GCAA licence requirements.

PILOT TRAINING

TWIN-ENGINE HELICOPTERS

Air Transport Pilot License ATPL (H)

The aim of our ATPL (H) integrated course is to train pilots to operate as a co-pilot on multi-pilot multi-engine helicopters in commercial air transport.

Instrument Rating (Twin Engine)

The IR (H) modular flying training course trains pilots to operate helicopters under IFR and in Instrument Meteorological Conditions (IMC).

Twin-Engine Conversion and Multi-Crew Coordination (Military)

This course enhances the capability of pilots to perform operational missions and to function as a team, led by the pilot in command. It also provides pilots with the skills and knowledge to safely operate helicopters in a multi-pilot environment.

Night Rating (NR)

Our Night Rating programme trains qualified pilots to safely operate a helicopter at night.

Night Vision Goggles (NVG)

This course trains pilots to operate a helicopter safely at night using Night Vision Goggles.
